The extra flyer is to give you advance notice of the workshop coming in February called "Stepping On". The program has received rave reviews from people we have talked to who have taken it. There is a limit to the number who can register so the flyer has been included with this calendar to give you the necessary information. Please call the center if you have any questions.

We are placing Origami on the schedule because of the continued interest in the activity, but the time is tentative at this point. Please call the center to verify a correct time and date if you are interested in the program.

*These programs are brought to you by the East Troy Family Community Resource Center.

MY TIME - Space is available upon request by high school students to use for a study night, a game night, or just a night of coffee and conversation. It is a place where "loitering" is allowed and time is yours to waste if you choose or to use productively if you want to do so.

Jan 7: Senior Movie - Some British retirees, lured by ads for the newly restored Marigold Hotel and a life of luxury, arrive to find it to be a shell of its former self but discover life and love can begin again when they let go of the past.

Jan 14: Coffee and Conversation with Laura Bub - The 3rd meeting of the program that began in October to explore issues especially relevant to women in the second half of life. Participants will learn what it means to Elder with Attitude and to discuss ideas about the issues faced during this life stage. To register for this event please contact Laura Bub at 262-374-3327 or via email at iget.comm@gmail.com

Jan 22: Middle School Matinee - a tentative activity for middle school students that will begin in Jan. Posters will be placed in the school with the movie that has been chosen for the month.

Jan 30: 11:30 - 12:15 Senior Meal - Breaded Veal Cutlet with potatoes, vegetable, salad and dessert.

If you are making your first visit to the center, please note that even though the mailing address is Beulah Ave, the center is actually accessed from Division St by the driveway that is behind the school. The entrance to the center is Door 7 which is marked with a sign on the wall and one off of Division St.
